

Hello,

My name is Devon Lawrence and I am a pre-service teacher from Vancouver Island University who has been on my teaching practicum in your child's class periodically from September of this 2018 to 2019 school year. To complete my VIU education program I am required to create an electronic portfolio (e-portfolio) of evidence of my learning and teaching competency. I would like to request your consent to use select pictures and video of your child taken during class time and/or examples of your child's work (with personally identifiable information removed) to use as evidence in my VIU eportfolio. I also request your consent to use such pictures or video taken during class time and/or examples of your child's work (with personally identifiable information removed) for my professional teaching portfolio after the conclusion of my program. This eportfolio will be located at <https://mrdevonlawrence.com> . Know that I will not identify your child by name or provide other identifiable information such as name, gender, address, or age, but it is important to note that photos and videos of your child are considered identifiable personal information and would be made available online. Your participation is completely voluntary and should you choose to withhold your consent, it will not affect your child's grades or in-class participation in any way. If you choose to consent, know you may withdraw your consent while the material is available at <https://mrdevonlawrence.com> by contacting me via email at \_\_\_\_\_ or phone at \_\_\_\_\_ and asking me to remove the specific information you want removed from <https://mrdevonlawrence.com>

Thank you,

Devon Lawrence
